Financial Review

Brief Statement of the charity's policy on reserves	The charity aims to have sufficient funds to conduct its business and will invest any funds to develop the stations capabilities.
Details of any deficit	None
Donated facilities and services (if any)	During this financial period G4G made a financial contribution to the Victoria Hall in light of use of electrical power in the offices which have been the rental of office premises where the studio operates. Victoria Hall has provided use of these offices free of a rental charge for which the Trustees are very grateful. Money saved due to no rent being payable has been utilised to support the upgrade program for software and hardware.

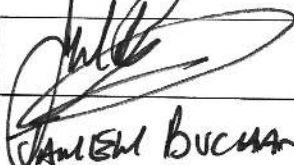

Other optional information

Office expenses and monthly software maintenance payments have been carefully managed and the Trustees continue to monitor the situation and are identifying new sources of funding. The stations operations costs have been met through regular financial giving and one-off fundraising activities by G4G members and officers. All financial transactions are detailed in the audited accounts.
