

WOAC On Air
Episode #15

Inspiration by Ruth, Nadine and Angelina

Vision has purpose and you can see it!

- Friends let me tell you a story I read from Dr Myles Munroe, book “Principles Of Vision”
- A little girl was on a cruise ship and she and her father standing on the deck the morning was clear skies and the air was fresh .The little girl standing on her “tip toe” said, to her farther, “I can’t see anything”

The father being very strong and tall in statue , the picked her up and put her on his shoulders so that she was higher, so that she was higher than everyone else, on deck and was able to see everything, around her…

Vision has purpose and you can see it!

Daddy, oh! Daddy, She exclaimed!, “I can see farther than my eyes can look!!”

“My eyes can look!!” (Repeat X2). The little girl captures the statement

“ESSENCE OF VISION!”

Vision has purpose and you can see it!

The ability to see farther than your eyes can look to see not just what is but also what can be, and to ,make it reality.

Dr Myles Quote

"Vision is a concept inspired by God in the heart of a human"

Vision has purpose and you can see it!

To the visually impaired among us, may the vision of your hearts replace the limitation of your eyes!!!

- Hebrews 11:1

Now faith is the substance of things hoped for, the evidence of things not seen.

2 For by it the elders obtained a good report.

3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

4 By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.

5 By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.

6 But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

“Vision is seeing before it come into being it is a mental picture of your destiny”

Vision has purpose and you can see it!

Now having said all this about vision. When you have no passion for life it because there is no vision in your heart.

“VISION IS THE PRECEDENT FOR PASSION”

Quote_

Vision is when you can see it in your mind by faith and begin to imagine it!

Vision has purpose and you can see it!

To the visually impaired among us, may the vision of your hearts replace the limitation of your eyes!!!
