Episode 34 – My purpose is hidden in my identity

Who we are, directs what we become?

A dog's purpose is hidden in it's identity
Pet, guard dog, guide dog, sniffer(forensics). https://www.hartz.com/helping-your-dog-find-a-purpose-in-life/ 'While the American Kennel Club (AKC) identifies breeds such as the Chinook, Rottweiler and Saint Bernard as working dogs, it's true that all dogs work, whether it's in the field, on your lap or guarding your home. Canine psychologists agree that dogs are bred to do something that will expend their physical and mental energy and use the special skills of their breed. According to canine behaviorist Deb Duncan, dogs worked to survive before they were domesticated, forming packs with the mission of protecting each other and their territory. Today, we've come to a working agreement with our pets about just how to help each other. The AKC divides breeds into six groups: working, herding, sporting, non-sporting, hound and toy. And all have a unique purpose in life.'

Sunflowers purpose are hidden in it's identity
Did you know Facts:
https://www.theayurveda.org/ayurveda/herbs/top-10-health-benefits-of-sunflower-plant
"Sunflower is the only flower which moves with the sun throughout the day. The flower always faces the sun. There is a very peculiar thing about this flower; these flowers open at sunrise and close at sunset. The appearance of the well-grown flower also resembles the bright sun. The petals are placed in a way which resembles the sun rays."
Purpose of Sunflowers

1. https://www.proflowers.com/blog/history-and-meaning-of-sunflowers
   "Sunflowers are known for being "happy" flowers, making them the perfect gift to bring joy to someone's (or your) day

2. Sunflowers https://news.virginia.edu/content/uva-undergraduate-researcher-studies-sunflowers-power-clean-soil "[Sunflowers] are able to take heavy metals from contaminated soil in a way that's completely natural and un-harmful to the soil and its surrounding ecosystems," Kitrinos said. "They're called 'phytoremediators.' Gardeners plant sunflowers to feed pollinators like honeybees, and attract birds to ward off garden pests
3. "Sunflowers is a source of human health - sunflower oil, sunflower seeds(good vitamins) and skin care products"

Like Dog and Sunflowers identity describes it's purpose in creation, so too human Identity highlights Human purpose! When people hear your name "how do they define you."

Who am I directs my influencers to propel me into my purpose. Everything created has a purpose, purpose in an expression of who, what I am?

My influencers propel into my purpose as follows:

a. My appearance resonates my purpose!
(Psalm 139:15-16) “My frame was not hidden from You, When I was made in secret, And skilfully wrought in the lowest parts of the earth. Your eyes saw my substance, being yet unformed. And in Your book, they all were written, The days fashioned for me, When as yet there were none of them.”
“You do not see a mutton dressed as a lamb?” How we look represents our mission in life.”

My appearance matters when meeting my PURPOSE!
(Esther 2:12) “Each young woman’s turn came to go into King Ahasuerus after she had completed twelve months’ preparation, according to the regulations for the women, for thus were the days of their preparation apportioned: six months with oil of myrrh, and six months with perfumes and preparations for beautifying women.”

My Gender matters when meeting your purpose!”
“If Mary chose to transgender, she would have never fulfilled her purpose of “Virgin Mary the Mother of Jesus.”
(Matthew 5:13-16) “You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. “You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven.”

b. My culture (Values/Beliefs/heritage matters in sustaining my purpose!
(Proverbs 13:20) “He who walks with wise men will be wise.” When you choose to surround yourself with the right company, you have the necessary support system to propel you into your destiny.”

c. I need a support system to help; me live in purpose!
(II Corinthians 6:14-18 NKJV) “Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness? And what accord has Christ with Belial? Or what part has a believer with an unbeliever? And what agreement has the temple of God with idols? For you are the temple of the living God. As God has said: “I will dwell in them And walk among them. I will be their God, And they shall be My people.” Therefore “Come out from among them And be separate, says the Lord. Do not touch what is unclean, And I will receive you.” “I will be a Father to you, And you shall be My sons and daughters, Says the Lord Almighty.”

d. My inherent nature is formed by God and is like God, partnering with God is necessary for me to find and live in purpose!
(Ephesians 2:10) “For we are God's handiwork, created in Christ, Jesus to do good works, which God prepared in advance for us to do.”
