Today we to talk about the species that live in the ocean "FISH" and defining their place of habitat (Purpose) which fish lives successfully in the ocean and fish bowel.

1. What are some of the challenges that inhibit people from living out what they are?
   a. **Confusion** - Corinthians 14:33"For God is not the author of confusion but of peace, as in all the churches of the saints."

   b. **Poor Value Systems -** 1 Corinthians 15:33 "bad company corrupts good character, it ruins good morals."

   c. Poor support structures
   d. Uncertain about our skills/talents
      "Now when they had gone through Phrygia and the region of Galatia, they were forbidden by the Holy Spirit to preach the word in Asia. After they had come to Mysia, they tried to go into Bithynia, but the Spirit did not permit them. So passing by Mysia, they came down to Troas. And a vision appeared to Paul in the night. A man of Macedonia stood and pleaded with him, saying,

"Come over to Macedonia and help us." Now after he had seen the vision, immediately we sought to go to Macedonia, concluding that the Lord had called us to preach the gospel to them." Acts 16:6-10 NKJV

Conclusion:

Your Happy Place!
Genesis 1:27 - So God created man in His own image;
In the image of God He created him; male
and female He created them.
If we created in the image of God then we need to spend time with our source to learn how to exercise our potential as God's created kind. A human baby spends time with the family in order grow, and mature and fulfil it's defined purpose. Likewise, we are all children of God, created in the image of God to do the good works He prepared in advance for us to do. Ephesians 2.10
